Hardcore Christianity is dedicated helping individuals who are afflicted by mental, emotional illness & demonic oppression. Their goal is to promote awareness to the international Christian community of the need to return to a true and accurate presentation of the gospel by reintroducing mental health counseling healing deliverance & the Baptism of the Holy Spirit to the Christian churches. Jesus called these ministries "miracles" (Mt. 12:28, Mk16:18). Bro Mike is a professional counselor with 31 years experience. He not only teaches, but ministers at the altar for deliverance.

From our experience in Aglow, whenever Bro. Mike and his team come . . . It is always very well attended and packed full of knowledge based on scripture. He brings awareness to things we really need to know especially now. Don't miss this opportunity.
