

Aglow International Prescott Lighthouse

***A Ministry of God's Love, Grace and Power to Women
and Men of All Ages***

We are delighted to present as our April speaker, the Director of the United States National Prayer Council, Valerie Jackson. The United States National Prayer Council is the United States Arm of Worldwide Prayer. Valerie also oversees 50 States and Regional Directors, including the US Territories. Prior to her position on the Prayer Council, she was Regional Coordinator for Church and Aglow ministries for seven years. She also served for five years as Church-Aglow Liaison over California and Hawaii. Valerie has served in various positions in Aglow for over 30 years. She speaks at churches, retreats, luncheons, on the radio, on TV and many different fellowships, as the Lord leads.

In the year 2000, as Area President for Aglow, The Lord put on Valerie's heart to declare a "Clarion Call"--a clear focused call, for prayer. The Lord told her, **"You will either P-R-A-Y, or you will be a P-R-E-Y."** So, prayer is an integral part of her ministry! Valerie's vision for the Prayer Council is to see prayer arise across this Nation.

This quote is from the Lord: "Only God's hand can save a nation, and only prayer moves God's hand."

Valerie is Bethel trained in ministry and will be praying for anyone who wants prayer.
